About Company

CS Auto manufactures electrical engine parts specializing in starter motors and alternators. We only deal with high quality materials, parts, and products.

Our management goal is to produce the highest quality goods, offer them at the most reasonable price, and deliver them to you in a timely and efficient manner.

We will always do our utmost to ensure our management goal is achieved.

Our Products

We have over 50 years of experiences in auto parts and our core founders are from former senior engineers in Mando Corporation in South Korea. We have our know-hows in manufacturing and engineering in auto parts. Our technology has been acknowledged by our key partners not only in South Korea but also all over the globe.
